RESOLUTION NO. 178

A resolution of the Commission of the City of Phoenix declaring their intention to improve certain portions of Fourth Street, in the City of Phoenix, and determining that bonds shall be issued to represent the costs and expenses thereof and declaring the work or improvement to be of more than local or ordinary public benefit and that the costs and expenses of said work or improvement shall be assessed upon a certain district and providing that the proposed work or improvement shall be performed under the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto.

BE IT RESOLVED BY THE COMMISSION OF THE CITY OF PHOENIX:

SECTION 1. That the public interest and convenience require and that it is the intention of the Commission of the City of Phoenix to order the following work to be performed, to-wit:

1. That the roadway of Fourth Street from the north line of Washington Street to the south line of Roosevelt Street (excepting the intersection of Adams Street which is now paved and excepting from the north line of Polk Street to a point one hundred and ten (110) feet south of the south line of Polk Street and excepting also that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail as shown on the plans hereinafter referred to) and including the intersection of all streets, (except Adams and Polk Streets) alleys, private drives and approaches thereto and including also such portions of intersecting streets, alleys, private drives as is necessary to form an easy approach to the pavement hereinafter described to be graded and paved with bitulithic with cement concrete base, bitulithic with bituminous concrete base, bitulithic with no base, "Topoka" Asphalt concrete with cement concrete base, National Cement Concrete, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Dolaymac as may be hereafter determined.

2. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Fourth Street, from the north line of Washington Street to the south line of Roosevelt Street excepting at the intersection of streets, alleys, private drives and approaches thereto and excepting along both sides of the roadway of Fourth Street from the south line of Polk Street to a point one hundred and ten (110) feet south of the south line of Polk Street.

3. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Fourth Street, from the north line of Washington Street to the south line of Roosevelt Street excepting at the intersection of streets, alleys, private drives and approaches thereto and excepting along both sides of the roadway of Fourth Street from the south line of Polk Street to a point one hundred and ten (110) feet south of the south line of Polk Street.

4. That a cement concrete gutter be constructed across the intersection of all streets, alleys, private drives and approaches thereto and across the roadway of the following intersecting streets with Fourth Street:

Both sides at Taylor, Fillmore, McKinley and Garfield Streets.

5. That a cement concrete curb be constructed at the intersection of all streets, alleys, private drives and approaches thereto and along the edges of the roadway at the following street intersections with Fourth Street: Monroe, Pierce and the north side of Van Buren Street.

6. That a cement concrete gutter be constructed across the intersection of all streets, alleys, private drives and approaches thereto and across the roadway of the following intersecting streets with Fourth Street:

Both sides at Taylor, Fillmore, McKinley and Garfield Streets as shown on the plans hereinafter referred to.

7. That corrugated iron pipe of the size and location be laid as follows:

Twelve (12) inches in diameter across the roadway of Garfield Street on the west side of Fourth Street.

Across the roadway of McKinley Street on the north side of Fourth Street.

Across the roadway of Fillmore Street on the west side of Fourth Street.

Across the roadway of Fourth Street on the north side of Van Buren Street.

Across the roadway of Fourth Street on the north side of the alley between Washington and Adams Streets.

Across the roadway of private drives between Monroe and Van Buren Street on the west side of Fourth Street, and across the roadway of the private drive on the east side of Fourth Street between Fillmore and Pierce Streets.

Fifteen (15) inches in diameter across the roadway of Monroe Street on the west side of Fourth Street.

Across the roadway of Fourth Street on the north side of Monroe Street.

Across the roadway of Fourth Street on the north side of Taylor Street.

Across the roadway of alleys and private drives on the west side of Fourth Street between Washington and Monroe Streets.

8. That cement concrete standpipes be constructed and gates be set to control the flow of water at the following locations on Fourth Street: Monroe Street two (2), Taylor Street two (2), Fillmore Street one (1), McKinley Street three (3).

9. That cement concrete pipe of the size to fit the aforementioned corrugated iron pipe be laid from the standpipes and corrugated iron pipe to a point six (6) feet back of property line and under cross walks as shown on the plans hereinafter referred to.

10. That a stormwater manhole be constructed on Fourth Street at Monroe, Van Buren, Pierce and McKinley Streets.

11. That gutter inlets be constructed to receive drainage water at the following locations on Fourth Street: Van Buren Street two (2), Pierce Street two (2), McKinley Street two (2), and that said gutter inlets be connected to stormwater manholes with the size of cement concrete pipe as shown on the plans hereinafter referred to.

12. That the roadway of the intersecting streets, alleys and private drives be graded from the edge of

the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be performed in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix on the 12th day of April, 1916, and on file in the office of the City Engineer in Book Three (3) of Street Improvement Plans on Pages 187 to 261 inclusive and in further accordance with the following specifications:

Standard Specifications of the City of Phoenix Numbers 19, 22, 24 and 24.

Curb and gutter work to be done in accordance with Specification Number 21.

Paving to be laid in accordance with the following Specifications, to-wit:

In case of bitulithic with cement concrete base Specification Number 20.

In case bitulithic with bituminous concrete base Specification Number 25.

In case bitulithic with no base Specification Number 26.

In case "Topoka" Asphalt Concrete with cement concrete base Specification Number 31.

In case National Pavement Specification Number 33.

In case Concrete Pavement Specification Number 30.

In case "Bitustone" Pavement Specification Number 34.

In case Tarvia Filled Macadam Pavement Specification Number 35.

In case Asphalt Concrete with Bituminous Concrete base Specification Number 37A.

In case Dolaymac Specification Number 38.

All of which above specifications are on file in the office of the City Clerk of the City of Phoenix. Said plans and specifications are hereby referred to for a more particular description of said work and made a part thereof.

SECTION 2. That the said contemplated work or improvement, in the opinion of the Commission, is of more than local or ordinary public benefit, and that said Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefited by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described district and excepting also all of Blocks 41, 42 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 26; Central Addition owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed upon the remaining lots or parcels of land lying within the said assessment districts as provided for in Title VII, Chapter XIII, Revised Statutes of Arizona 1913, Civil Code, and amendments thereto.

SECTION 3. The City Engineer is hereby directed to make a diagram of the districts described hereinabove in Section 2, of this Resolution of Intention, to be assessed to pay the costs and expenses thereof. Said diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work proposed to be done.

SECTION 4. The said Commission finds that public convenience requires that serial bonds shall be issued to represent the costs and expenses of said work or improvement and said Commission determines that serial bonds shall be issued to represent each assessment of Twenty-five (25) dollars or more for the costs and expenses of said work or improvement. Said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until all is paid and the interest shall be payable semiannually by coupon on the second day of January and July respectively, of each year, at the rate of six (6) per cent per annum, on all sums unpaid, until the whole of said principal sum and interest are paid.

SECTION 5. The serial bonds herein mentioned shall be issued in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto, and all the proceedings in the aforementioned improvements shall also be taken under Title VII, Chapter XIII, Revised Statutes of Arizona 1913 Civil Code and amendments thereto.

SECTION 6. The City Clerk shall certify to the passage of this Resolution of Intention and shall cause the same to be published ten (10) times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

SECTION 7. The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notices shall refer to this Resolution of Intention.

Approved May 9th 1916. PETER CORPSTEIN, Mayor.

I hereby certify that the above and foregoing Resolution No. 178, was duly passed by the Commission of the City of Phoenix at a meeting held May 9, 1916, and that a quorum was present thereat.

Tempe News Notes

MOVE TO REORGANIZE THE TEMPE MILITIA

Recruiting officers are busy here and elsewhere listing men for duty in the ranks of C company of the National Guard of Arizona and as soon as the required number are secured, the Tempe company will be reorganized at the mobilization grounds near Douglas. This bit of information came from the adjutant general's office at the capital and as fast as possible the present enlisted men and recruits are being sought out and sent to Douglas where the company will be formed. Lieutenant Wiley Hansen who will be in command of C company is now at Florence and after a few days' recruiting work there will proceed to Casa Grande. First Sergeant Olin Russell is at work in Tempe with a number of assistants and barely a day has passed since the guardsmen went out what more of C company men have been located and sent to the border.

W. G. Nichols, a sergeant of the local company, came in yesterday morning from St. John and will assist with the recruiting here for the next few days.

Tempe has sent thirty and forty men to the border and needs about thirty more at the least before the company can be established again. The men now on the border are with company D of Mesa under command of Captain Joseph Noble, but will be allowed to join C company when reorganized.

The officers and non-commissioned officers recruiting here state that it will take but a few days to secure the required number of enlisted men.

ALUMNI MEETING

A meeting of the alumni association of the normal school will be held Monday evening, May 22nd, at eight o'clock in the main building at the normal. The election of officers and other important matters will be transacted that require the attention of all the members who can possibly attend.

EIGHTH GRADE COMMENCEMENT

Thirty-nine bright and industrious young girls and boys received their diplomas of promotion from the eighth grade of the Tenth street school at commencement yesterday morning. The exercises were held in the high school auditorium and the house was packed with relatives and friends and well-wishers of the young people who are now prepared to take up their advanced schooling. Superintendent J. O. Mullen gave a few fitting remarks at the opening of the exercises and following a song, Principal E. A. Row gave the commencement address to the young graduates. Principal Sidney B. Moore of the Tenth street school presented diplomas to the following pupils:

Laura Austin, Milton Aepi, Deborah Adams, Clarence Brown, Elsie Beaton, Carl Boyer, Walter Bassett, Lorene Bordin, Mary Carter, Irene Coffin, Nellie Cavender, Robert Carr, Lois Carns, Hazel Curry, Rosa Ellis, Jessie Finch, Walter Finch, Carrella Gamboa, Gladys Gibson, Eliza Galas, James Goodwin, Lorena Gandy, Floyd Hughes, Thelma Jackson, Charles Lukin, Horace Miller, Benjamin Moore, Maude Nevitt, Armand Orduno, Paul Parry, George Thatcher, Milford Taylor, Earl Teeter, Henry Thorp, Agnes Winkelman, Kenneth Wike, Chester Wickliffe, Donald Williams and Marie Zander.

SARAH BERNHARDT

The interest that has been shown elsewhere in Mme. Bernhardt's screen work bids fair to be duplicated when the opera house tonight presents the great French actress in "Jeanne Dore." This will be the last time in which she will be seen upon the stage giving an added value to this Blue Bird photograph. "The Lure of a Widow" and "Adam's Ancestors," two good comedies, will also be on tonight's program. New seats and other additions are being made to the air dome and all picture programs will be seen there as soon as the weather permits. The purchase of another machine is contemplated by the management, one to be left in the opera house thus insuring a picture show rain or shine.

TEMPEAN TONIGHT

Tonight's feature at the Tempean theater will be Chapter 14 of "The Girl and the Game" serial, and with it will be shown four other reels. This serial has proved exceedingly popular all over the United States and requests to have it extended have been sent in from hundreds of theaters. However, there will only be one more chapter after tonight, which will be shown at the Tempean next Saturday. Tomorrow evening Pauline Frederick will be seen in "Bella Donna," a Paramount feature.

LAST DAY—Today is your last chance to get a Hoosier kitchen cabinet at \$1.00 down, \$1.00 per week. After today you pay more. Hoosier's 40 labor saving features are worth looking into. Price Wickliffe Store, Tempe—Adv.

MOVING TO SONOITA

C. W. Alexander is sending out a car of stock, farming implements and household articles this week to his ranch near Sonoita in the southern part of the state and contemplates making his future home there. Albert Austin who has also recently moved to that country will accompany the car and Mr. Alexander will make the journey by auto with his family.
